Hello Churchill Families,

As we continue into the fall and beyond, we wanted to clarify plans regarding how to provide work for students who are not in attendance due to illness or quarantine. As you know, we are not offering distance learning or hybrid learning at this time. We will be sending home iPads to help students access the platforms of Schoology and Seesaw when students are needing to be out for an extended time. Other learning resources will also be included to help keep your child up to date with their learning while absent. At this time, we do not have hotspots to offer families, but we can provide information on where public Wi-Fi can be accessed.

Finally, if you have questions about district policy related to quarantine requirements this fall, please check out the following link: <https://www.isd94.org/site/default.aspx?PageType=3&DomainID=29&ModuleInstanceID=3084&ViewID=6446EE88-D30C-497E-9316-3F8874B3E108&RenderLoc=0&FlexDataID=6681&PageID=1387>

Sincerely, David Wangen, Churchill Elementary Principal
