

The MSHSL board of directors met on August 4th and approved the following changes regarding fall sports.

Girls tennis, boys soccer, girls soccer, boys/girls cross country, and girls swimming/diving may begin on August 17th with a modified schedule. Modifications include shortened season in terms of weeks and games, limited number of schools at events, no scrimmages, and games vs local opponents only. Adjustments will need to be made regarding these schedules.

Football and Girls Volleyball will be delayed until the spring season. This will require further work in scheduling seasons through the winter and spring to provide opportunities for participation in multiple activities with minimal overlap of seasons.

Thank you!
