

With Cloquet High School transitioning to full in-person learning, the Technology Department is adjusting the hours of operation for Door 17. Beginning on Monday, March 15th Door 17 will be open Mondays and Wednesdays from 8:30am to 11:30am, and Fridays from 1:00pm to 3:00pm. Door 17 is closed on days that school is not in session. The Tech Support Hotline is still available during regular school hours by calling 218-878-3080 and following the menu to get to the best person to help you. Distance learners and their parents can also submit a ticket on the school website if they need assistance as well.
