**Help our students solve problems – become a math tutor!**

**Become a Math Tutor at Cloquet Middle School for the 2022-23 school year.**

**Our tutors work with students to help them build essential math skills. As a math tutor you will:**

- Serve in a school setting (full-time and part-time options are available)
- Work with pairs of students who need targeted skills practice
- Receive a paycheck every two weeks plus benefits like extra money for college or student loans, health insurance and more
- Receive excellent training and support – no teaching experience necessary

“The best part about being a tutor with Math Corps is being witness to the incredible transformation these students make. At the end of the year they all say that they didn't know math could be fun!”
