C. Those students who participate in Minnesota State High School League (MSHSL) activities must also abide by the league rules. Those employees who conduct MSHSL activities shall be responsible for familiarizing students and parents with all applicable rules, penalties, and opportunities.

D. The superintendent shall be responsible for conducting an annual evaluation of school activity programs and presenting the results and any recommendations to the school board.

E. The school board will ensure that any funds raised for extracurricular activities will be spent only on extracurricular activities.
