

11/9/2020

To all CAAEP families:

As we transition to Distance Learning, there are a few things I want to share with you:

- Breakfast and lunches will need to be picked up at the Cloquet High School Door #17 For Tuesday, November 11 ~ Friday, November 13 from 10am ~ 12:00 pm.
- Hot Lunch and breakfast deliveries will take place the following week and we will need you to contact the office if you would like to have breakfasts/ lunches delivered. The lunch menu is located on the district web site.
- As we continue quarter 2 with distance learning, students will have an updated schedule in their Infinite Campus portal. They are to be online and ready to learn at the start of each scheduled class. The CAAEP schedule is also located on the Infinite Campus Portal. This is very different than it was last spring. Be sure that your child understands the expectations of being online when each class starts. Each class your child has is indicated on their schedule and is located in Schoology. In Schoology, each teacher has a Google meet button that the students click on to enter the class. This is what we have been doing each Wednesday since school started in preparation for full distance learning.
- If you have any questions, please contact the CAAEP office at 879-0115.

Thank you,  
Connie Hyde  
Principal CAAEP
