

The ABC's of COVID - 19

(CNN)CNN is partnering with Sesame Street for a special town hall Saturday at 9 a.m. ET about coronavirus, focused on kids and parents.

"The ABC's of Covid 19: A CNN/Sesame Street Town Hall for Kids and Parents" will tackle issues including education, anxiety, screen time and playdates.

The 90-minute town hall will feature experts and Sesame Street characters -- including Elmo, Abby Cadabby, Rosita and Grover -- answering questions submitted by families.

Big Bird will join CNN chief medical correspondent Dr. Sanjay Gupta and CNN anchor and national correspondent Erica Hill to moderate the event.

How to watch: The town hall will air on CNN, CNN International and CNN en Español. It will stream live on CNN.com's homepage and across mobile devices via CNN's apps, without requiring a cable log-in. You can also watch on CNNgo, and subscribers to cable/satellite systems can watch it on-demand.
