Dozens of Ways to Move It!

With winter in the rearview mirror, spring makes us think of getting a fresh start outdoors. It can be a fickle season with snow, sleet and rain. If you like to keep moving, consider the great spaces and activities in Cloquet. Washington Walking Club allows for community members to get their daily paces in a dry, well lit school. The new pool at the Middle School has seen a surge in lap swimmers as well as families enjoying the Friday night open swims.

Community Ed offers dozens of fitness choices to keep citizens moving. Join one of our free adult groups for biking, walking and hiking. Drop in at Garfield School on Thursday evenings for some casual volleyball. Once our snow and ice are gone, be sure to get out to the parks for some fun. Play a round of disc golf; shoot some hoops; enjoy a tennis match; walk some trails; take the kids to a playground.

There are lots of choices. Be sure to find your fun this season!
